A Word From Our Principal...

January 17, 2012

Greetings Nataki Families,

I look forward to seeing everyone soon at our upcoming events. Continue to read the Monday Morning Memos and check the school website at www.ntsdsd.com to stay up to date with our current events.

In addition, winter Performance Series testing began for third through eighth grade students today. During the month of January, please ensure that your child gets plenty of rest and eats a hearty breakfast in the morning before school. Students perform better when they are well rested and have eaten a well balanced meal. Be sure to ask your student about the test and encourage them to perform their best. The purpose of this assessment is to determine their academic growth from the fall to the winter, so that we are better able to meet their learning needs. They will take the test again during the spring in May. Thank you for your support and motivation.

Lastly, may you continuously apply the Seven Principles of the Psychology of the Norm 1) Introspection, 2) Broad-based knowledge, 3) Curiosity, 4) Tradition & innovation, 5) SELF-centered, 6) Trust, and 7) Victor. As you recall, these principles are the cornerstone of the school's existence.

Warm wishes,

Melita Smith

Mrs. Melita Smith

A Word From Our Founder...

Jeannette Wheatley, longtime Nataki Talibah Schoolhouse of Detroit friend and board member, passed away on Saturday, January 14, 2012 after a long illness. Those parents who attended Cass Technical High School may have known her as the principal of Cass Tech for many years. We were fortunate to have Mrs. Wheatley on our school board for 17 years. She was instrumental in our conversion from a private school to a public school academy.
